

Liste des contributions au réseau

List of REVES papers

(mai / May 2009)

- n°1 Robine JM. *Présentation des travaux de la réunion de Québec*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. XI-XVIII.
- Robine JM. *Presentation of the studies described at the Quebec meeting*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. XI-XV.
- n°2 Robine JM. *L'espérance de vie sans incapacité*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 1-45.
- Robine JM. *Disability-free life expectancy*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 1-22.
- n°3 Bebbington AC. *Expectation of life without disability measured from the OPCS disability surveys*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 23-34.
- Bebbington AC. *Espérance de vie sans incapacité mesurée d'après les enquêtes d'incapacité de l'OPCS*. Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 47-67.
- n°4 van Ginneken JK, Dissevelt AG, Bonte JT. *Summary of results of calculation of life expectancy free of disability in the Netherlands in 1981-1985*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 35-40.
- van Ginneken JK, Dissevelt AG, Bonte JT. *Résumé des résultats du calcul de l'espérance de vie sans incapacité aux Pays-Bas, 1981-1985*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 69-80.
- n°5 Wilkins R. *Health expectancy in Québec, 1987*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 41-52.
- Wilkins R. *Espérance de santé au Québec, 1987*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 81-99.
- n°6 Crimmins EM, Saito Y, Ingegneri D. *Recent value of disability-free life expectancy in the United States*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 53- 57.

- Crimmins EM, Saito Y, Ingegneri D. *Valeurs récentes d'espérance de vie sans incapacité aux Etats-Unis*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 101-109.
- n°7 Wilkins R, Adams OB. *Health expectancy in Canada, 1986*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 57-60.
- Wilkins R, Adams OB. *Espérance de vie en santé au Canada, 1986*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 111-117.
- n°8 Bisig B, Michel JP, Minder CM, Paccaud F, Santos-Eggimann B, Spuhler T. *Disability-free life expectancy (DFLE) : available data in Switzerland*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 61-65.
- Bisig B, Michel JP, Minder CM, Paccaud F, Santos-Eggimann B, Spuhler T. *Espérance de vie sans incapacité (EVSI) : données suisses*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 119-133.
- n°9 Colvez A. *Le classement des incapacités observées pour plusieurs rôles de survie en trois niveaux : l'espérance de vie sans incapacité sévère, modérée ou légère*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 135-139.
- Colvez A. *Classification of Observed Disability for a number of Survival Roles at three levels: Expectancy of Life Free from (Severe, Moderate or Light) Disability*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 67-69.
- n°10 Wilkins R, Adams OB. *Quality-adjusted life expectancy : weighting of expected years in each state of health*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 71-73.
- Wilkins R, Adams OB. *Espérance de vie ajustée sur la qualité : pondération des années espérées dans chaque état de santé*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 141-145.
- n°11 Flores JL, Minaire P, Cherpin J, Weber D. *Mesure de l'incapacité et caractéristiques du milieu : influence sur le calcul de l'espérance de vie sans incapacité*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 147-156.
- Flores JL, Minaire P, Cherpin J, Weber D. *Measuring disability and environmental characteristics: influence on calculating Disability-free Life Expectancy*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 75-80.
- n°12 Ritchie K. *Life-expectancy without cognitive deterioration : theoretical and methodological difficulties*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 81-85.

Ritchie K. *Espérance de vie sans détérioration cognitive : difficultés théoriques et méthodologiques*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 157-164.

- n°13 Branch LG. *Active life expectancy in 10 000 men and women in three communities*. In : First Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Quebec, September 1989. [non disponible / not available].

This paper was a basis for the article / Ce papier a servi de base à l'article : Branch LG, Guralnik JM, Foley DJ, Kohout FJ, Wetle TT, Ostfeld A, Katz S; *Active life expectancy for 10,000 caucasian men and women in three communities*. *J Gerontol* 1991 ; **46**:M145-M150.

- n°14 Brouard N, Robine JM. *Méthode de calcul de l'espérance de vie appliquée aux enquêtes longitudinales sur les sujets âgés en France*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 165-186.

Brouard N, Robine JM. *A method for calculating health expectancy applied to longitudinal surveys of the elderly in France*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 87-97.

- n°15 Kind P. *Quality of life and the calculation of disability-free life years*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 99-104.

Kind P. *Qualité de vie et calcul des années de vie sans incapacité*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 187-197.

- n°16 Crimmins EM, Saito Y, Ingegneri D. *Changes in life expectancy and disability-free life expectancy in the United States*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 105-108.

Crimmins EM, Saito Y, Ingegneri D. *Modification de l'espérance de vie et de l'espérance de vie sans incapacité aux Etats-Unis*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 199-207.

- n°17 Wilkins R, Adams O. *Health expectancy trends in Canada, 1951-86*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 109-112.

Wilkins R, Adams O. *Tendances de l'espérance de vie en santé au Canada, 1951-1986*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 209-216.

- n°18 Colvez A. *Evolution de l'espérance de vie sans incapacité aux Etats-Unis entre 1966 et 1976*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 217-222.

Colvez A. *Changes in Disability-Free Life Expectancy in the USA between 1966 and 1976*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 113-115.

- n°19 Myers GC, Lamb VL. *Sources of data for assessing healthy life expectancy*. In: Robine JM, Blanchet M, Dowd J-E, Eds. Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989. London: HMSO, 1992. p. 117-123.
- Myers GC, Lamb VL. *Sources de données pour l'évaluation de l'espérance de vie en bonne santé*. In : Robine JM, Blanchet M, Dowd J-E, Eds. Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]. Paris: INSERM, 1992. p. 223-236.
- n°20 Liu IY. *Determinants of healthy aging : a cross-national study*. In : First Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Quebec, September 1989. [not available]
- [En français : *Déterminants du vieillissement en bonne santé : étude transnationale*, non disponible]
- n°21 Bone M. *A multi-cohort longitudinal study*. In: Robine JM, Blanchet M, Dowd J-E, Eds. Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989. London: HMSO, 1992. p. 125-132.
- Bone M. *Etude longitudinale multi-cohortes*. In : Robine JM, Blanchet M, Dowd J-E, Eds. Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]. Paris: INSERM, 1992. p. 237-249.
- n°22 Haan MN. *Compression of morbidity : the Kaiser permanent study of oldest old*. In: Robine JM, Blanchet M, Dowd J-E, Eds. Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989. London: HMSO, 1992. p. 133-137.
- Haan MN. *Compression de la morbidité : l'étude Kaiser des personnes du quatrième âge*. In : Robine JM, Blanchet M, Dowd J-E, Eds. Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]. Paris: INSERM, 1992. p. 251-260.
- n°23 Wolfson MC. *POHEM : a new approach to the estimation of health status adjusted life expectancy*. In: Robine JM, Blanchet M, Dowd J-E, Eds. Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989. London: HMSO, 1992. p. 139-154.
- Wolfson MC. *POHEM : une approche inédite pour l'estimation de l'espérance de vie corrigée en fonction de l'état de santé*. In : Robine JM, Blanchet M, Dowd J-E, Eds. Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]. Paris: INSERM, 1992. p. 261-291.
- n°24 Emond A, Daveluy C. *Utilité d'un indicateur d'espérance de vie en bonne santé pour le Québec*. In : Robine JM, Blanchet M, Dowd J-E, Eds. Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]. Paris: INSERM, 1992. p. 293-297.
- Emond A, Daveluy C. *The usefulness of a Healthy Life Expectancy indicator for Québec*. In: Robine JM, Blanchet M, Dowd J-E, Eds. Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989. London: HMSO, 1992. p. 155-158.
- n°25 Thuriaux M. *L'Espérance de vie sans incapacité et la classification internationale des handicaps : déficiences, incapacités et désavantages - instruments de travail pour l'OMS*. In : Robine JM, Blanchet M, Dowd J-E, Eds. Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]. Paris: INSERM, 1992. p. 299-307.
- Thuriaux M. *Disability-free life expectancy and the International Classification of Impairments, Disabilities and Handicaps: two working tools for WHO*. In: Robine JM, Blanchet M, Dowd J-E, Eds. Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989. London: HMSO, 1992. p. 159-164.

- n°26 Péron Y. *Une étape dans la promotion de l'EVSI comme indicateur de santé*. In : Robine JM, Blanchet M, Dowd J-E, Eds. *Espérance de santé : [Actes de la 1ère Réunion Internationale du Réseau Espérance de Vie en Santé, Québec, septembre 1989]*. Paris: INSERM, 1992. p. 309-313.
- Péron Y. *A stage in the promotion of disability-free life expectancy as a health indicator*. In: Robine JM, Blanchet M, Dowd J-E, Eds. *Health Expectancy: [Proceedings of the] First workshop of the International Healthy Life Expectancy Network (REVES), Quebec, September 1989*. London: HMSO, 1992. p. 165-167.
- n°27 Robine JM, Michel JP. *Recommandations pour un protocole international de comparaisons d'espérance de vie en bonne santé*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [disponible]
- [Also available in English under the title : *Recommendations for international guidelines for comparisons of healthy life expectancy*]
- n°28 Chamie M. *Data collection standards for disability : implications to the study of the disability-free life expectancy*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [disponible / available]
- n°29 Myers GC, Lamb VL. *Research issues in assessing healthy life expectancy*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [confidential draft]
- n°30 Minaire P. *Conceptual and operational definitions of the disability process in population studies : rehabilitation considerations*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [non disponible / not available, see n°66].
- n°31 Kay DW. *Psychiatric and cognitive functional considerations*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [disponible / available]
- n°32 Vuille JC. *Pediatric and cognitive functional considerations*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [disponible / available]
- n°33 Barberger-Gateau P. *Conceptual and operational definitions of the disability process in population studies : epidemiologic and geriatric considerations*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [disponible / available]
- n°34 Andrews G. *Cross-national research and data collection : uses and abuses*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [disponible / available]
- n°35 Rasmussen N. *The expectation of life without disability in Denmark (short report on new results)*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [non disponible / not available]
- n°36 Smith L. *Development of Australian measures of disability free life expectancy using national mortality and health survey data (short report on new results)*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [non disponible / not available]
- n°37 van Ginneken JKS, van de Water HPA. *A comparison of four methods to determine life expectancy free of disability in the Netherlands*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [disponible / available]

- n°38 Dartigues JF. *Project PAQUID : initial results* (short report on new projects). In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [non disponible / not available]
- n°39 Van Nostrand J. *Healthy life expectancy : projects on international comparisons of the US National Center for Health Statistics* (short report on new projects). In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. [non disponible / not available]
- n°40 Wilkins R, Dowd JE. *International geographic comparisons of healthy life expectancy*. In : 2nd Work-group meeting REVES, International Research Network for Interpretation of Observed Values of Healthy Life Expectancy, Geneva, March 1990. (General Report on the second workshop of REVES). [disponible / available]
